

EXPAND YOUR MENU to meet consumers' demands for *GLOBAL FLAVORS*

Today's consumers are seeking more ethnic inspired flavors and foods when dining out – even at mainstream restaurants. Greek and Mediterranean flavors can infuse your menu with the excitement they crave and the global flair Millennials and Gen Z patrons expect.

Traffic Driving

Nearly half of Millennial diners are seeking out ethnic flavors.¹ 75% of patrons like it when a mainstream restaurant also serves ethnic items.²

Flavor Boosting

Ethnic spreads have become a popular way to add flair to everyday staples. Hummus, Tzatziki and Feta sauces were called out as "Trending Topping Options".³

Snacking & Sharing

Consumers want flavor experimentation from their appetizer and small plate offerings. Dips represent a more interactive snack item.⁴

Hummus Trio
